2. Follow-Ups from 17 November Meeting
    a. Logistics of Spring Cleanup of Netzaberg Complex- It would be nice if we can get the green bins going forward for next year to recycle things like plastic bottles etc. We would like to work towards being a green school. Mrs. Parris is going to talk to AFFES to see what other ways we can recycle at lunch in addition to the sharing table. We are also looking into having a PTSA clean up day to beautify our campus. We could also reach out to the environmental department, the boy scouts, and high school clubs. We are looking to have a day where every class has an opportunity to help clean up our school with assigned specific task.
    b. Q3 and Q4 Dragon Disco dates- We are following up on this with Mrs. Messenger and PTSA.
    c. One School One Book & Virtual Author Visit- PTSA is looking into working towards this, however one school one book is hard to logistically manage due to shipping overseas. Therefore, PTSA is looking to go with an author directly and getting a book in conjunction with a virtual author visit.
